Priority A: Required items, including code violations and health and safety issues. These items must be completed prior to consideration of general, non-essential property improvements.

Priority B: General property improvements. Items to be completed if budget allows.

| Priority Letter | Priority Number | Item Description |
|-----------------|-----------------|---|
| A | 1 | Roof Coating: Apply a silicone coating per manufacturer's instructions. Scrape and power spray as needed or otherwise prepare the surface and spray/roll on a high-quality silicone with emphasis on pipe/vent protrusions. Note: Please try to address transition from roof to awning where water now backs up and leaks down the side of the house. |
| A | 2 | Siding: In pop out area several pieces of siding need to be replaced, like with like, calked and painted to match. |
| A | 3 | Repair or replace failed or leaking drain lines where indicated: from the kitchen sink the drain has consistently clogged over time. Also, may be connected to bathroom vanity. Check for diameter and slope and replace/correct where needed. Include upgrade to P trap(s) if needed. |

Exclusions: Any items not included in the above scope of work.
